

**Weekly Sunday church services have restarted, at St Andrew's Garrison Church. The service begins at 11am. (Zoom option still available.)**

When attending, please socially distanced from other members of the congregation who do not belong to your household.

It is recognised that a number of people will not be returning immediately when church restarts and consequently the church service will still also be broadcast using Zoom. If you are on the church's email list, login details should have been emailed to you. If not and you would like to login to this Sunday's service, please email our session clerk, Murdo Macleod, at [standrewsgc@btconnect.com](mailto:standrewsgc@btconnect.com), for the website address and login passwords. (Click on the website address emailed to you to download and install a small file to be able to sign in to the Church's Zoom meeting/service. When the meeting/service starts, one then needs to input the passwords.)
